## KAY LASANTE WEEKEND

Next weekend, Nov. 4 and 5, St. John's will host representatives of **Kay Lasante** (*House of Health*) clinic and outreach program in Port au Prince, Haiti, which provides primary care, vaccinations, nutrition education and food, and other health and wellness services to its community.

Please join us in welcoming Johanna Berrigan and Mary Beth Appel of House of Grace Catholic Worker in Philadelphia and Missionhurst Fr. Andrew Labatorio, who worked in Haiti for over 13 years.

**LEARN MORE.** Join us in the Lower Church Hall after each Mass for refreshments and a short presentation about the clinic's work. Learn more at [www.kaylasante.org](http://www.kaylasante.org).

**SUPPORT KAY LASANTE.** A second collection at all Masses will support the clinic's efforts to train more health-care workers, purchase additional equipment, and expand its services in maternal and pediatric care and other areas.

*'To love God and neighbor is not something abstract, but profoundly concrete: It means seeing in every person the face of the Lord to be served, to serve him concretely. And you are, dear brothers and sisters, the face of Jesus.'*
